**UNITED STATES OF AMERICA**

**GOVERNMENT’S NOTICE OF CORRECTION TO SENTENCING MEMORANDUM**

The United States of America, by and through its undersigned counsel, hereby submits this Notice of Correction to the Sentencing Memorandum as to Defendant Jerrica Rosado (the “Defendant”). The Defendant is presently set for sentencing before the Court on December 3, 2021 for her conviction by guilty plea to one count of conspiracy to commit wire fraud, in violation of Title 18, United State Code, Section 371.

On November 29, 2021, the government filed a sentencing memorandum (Doc. No. 45) that inadvertently contained errors regarding Defendant’s Guidelines calculation. Specifically, the memorandum incorrectly stated that the Defendant’s Total Offense Level is 19 and, at Criminal History Category IV, this produces an advisory Guidelines range of 46-57 months. (*Id.* at 5). In fact, the Defendant’s Total Offense Level is 21 and her Criminal History Category is I, which produces an advisory Guidelines range of 37-46 months. The government’s memorandum elsewhere correctly identified the Total Offense Level of 21 and the advisory Guidelines range of 37-46 months, consistent with the computations in the PSR.

The government’s recommended sentence of a term of imprisonment of thirty-seven (37)

months, to be followed by a term of supervised release of three (3) years, remains unchanged.

Respectfully Submitted,

JUAN ANTONIO GONZALEZ
